

this is one of the places for the muslim that moved to yemen and this is also one of the reginse that they have.

this the flag of soth yemen and it is also the war flag and its the one that yemen is using now because now it is under war.

this is a tree that grows in the desert and there is a lot of plants that grow in the desert and this is one of the good things that yemen has good for the would.
